A PLEA FOR HUMANITY: INVITATION TO THE 3RD EMERGENCY PEACE SUMMIT

To our esteemed WCH Members, Collaborators, Honorees, and Partners,

The world currently stands at a fragile crossroads. As we witness the devastating toll of ongoing conflict, we are reminded that peace is not merely the absence of war, but the presence of compassion and active justice. As human beings sharing this planet, we have a collective duty to protect the vulnerable and speak truth to power when lives are on the line.

We Care for Humanity Global and our **WCH branch in Qatar** are urgently convening the **3rd Emergency Peace Summit**. We are holding this summit specifically before the current ceasefire expires, hoping that our unified voice can reach the people involved and secure peace before time runs out.

YOUR ROLE IN THIS MISSION

This is an exclusive invitation for you to share your thoughts and join us in a collective plea to stop the war.

- **Peace Statements:** Every participant will have the opportunity to share a peace statement.
- **Time Constraint:** To ensure everyone is given the floor, please keep your remarks under **1 minute**.
